Remarks

THIS HOME IS AS YOU SAY, HAS MILLION DOLLAR VIEWS! The view scans absolutely amazing colors and palets that enrich your minds eyes. The fountain is breathtaking as you gaze into the sky with wonder. The 270 degree view will open your senses to a unparalleled view. This home is on 0.47 acres, 20,464 sq feet. 3855.8 sq feet of finished home inside. Windows in every room bring the radiant light of the sky throughout the home that offers 5 bedrooms and 3.5 bathrooms. Both Primary bedrooms are one the first level with full bathrooms. Also on the first floor you have an entrance to the beautiful open living room, the fireplace , a sitting area, open kitchen, dining room and another bedroom, and a half bath. The laundry room is settled also on the first floor with storage, with laundry sink.... and cabinets. DID I MENTION THE COVERED PATIOS?The flooring is 1 1/8 , so quiet. Down the wide and wonderful stairs is the central vacuum, storage, hot water heater and another huge area for an office or bedroom with storage and closets. Through this room you can connect to the 3 car garage with a seperate entrance, and lots of cabinets. Down the hall is the Casita Suite. This area has a senerate entrance. living room. kitchen. cabinets. bedroom and full bathroom. There is also an outside I IFT.
